Dear Sir:

Pursuant to 37 CFR 1.56, 1.97 and 1.98, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached PTO/SB/08. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

This Information Disclosure Statement is filed more than three months after the U.S. filing date, OR more than three months after the date of entry of the national stage of a PCT application, AND after the mailing date of the first Office Action on the merits, whichever occurs first, but before the mailing date of a Final Office Action or Notice of Allowance (37 CFR 1.97(c)).

A summary/abstract translation of the non-English language references is enclosed where applicable. Applicants call the Examiner's attention to the following non-English language patent documents: SU 1225547, disclosed in the IDS filed June 5, 2001 but mis-identified as an English language document; SU 1443873, disclosed in the Supplement IDS filed January 7,

03/03/2004 HVUONG1 00000120 181945 09874302

02 FC:1806 180.00 DA

2002. Applicants hereby submit the abstract translation of these two non-English language patent documents.

A copy of each reference on the PTO/SB/08 is attached.

In accordance with 37 CFR 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists. In accordance with 37 CFR 1.97(h), the filing of this Information Disclosure statement shall not be construed to be an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such.

It is submitted that the Information Disclosure Statement is in compliance with 37 CFR 1.98 and the Examiner is respectfully requested to consider the listed references.

Applicants call the Examiner's attention to office actions which may have issued in the following co-pending, co-owned patent applications of which subject matters are related to that of the instant application:

U.S. Pat. App. Serial No.	Filing Date
10/723,334	November 26, 2003
